One of our fundamental values at Carlisle Regional Medical Center is our commitment to our local community. We maintain this commitment both collectively as an organization and individually in our personal contributions.

Carlisle Regional Medical Center is extraordinarily proud to have served our community since 1913.

Our associates, physicians and hospital volunteers continuously seek ways to provide the highest quality care available to our patients and to take important health education and awareness information out into our community.

This report highlights the many ways that our hospital impacts our community and brings to light the exceptional care our associates, physicians and volunteers provide to those we serve every day.
